DEDICATION

The Class of '60 has chosen two deserving faculty members to whom we are dedicating this edition of "Les Memoires," Miss Clara Cassel and Mr. Warren Doll.

Miss Cassel, one of our two guidance counselors, graduated from Goucher College and began her teaching career at Manchester High School in 1924. As a versatile teacher she taught English, Latin, Biology, General Science, and Algebra. In a few years she left to further her own education at Bucknell.

Manchester High School was her "second home" after 1934. In 1954 she turned her attention to counseling. The student body of Northeastern High is very grateful for the help she has given them in solving their personal problems and in planning their future. We can always depend on her helping us, no matter how busy she is.

Her feelings about counseling in her own words are, "To me, guidance is challenging, although intangible. It is, on the whole, satisfying and rewarding as a life's career for anyone who is sincerely interested in his fellow men."

Thank you, Miss Cassel, for the guidance you have given to help us grow mentally, socially, and emotionally to become good American citizens.

CLARA M. CASSELL

In this progressive world the need for capable mathematicians is increasing. For this reason, Northeastern is fortunate in having Mr. Warren Doll in its Mathematics Department.

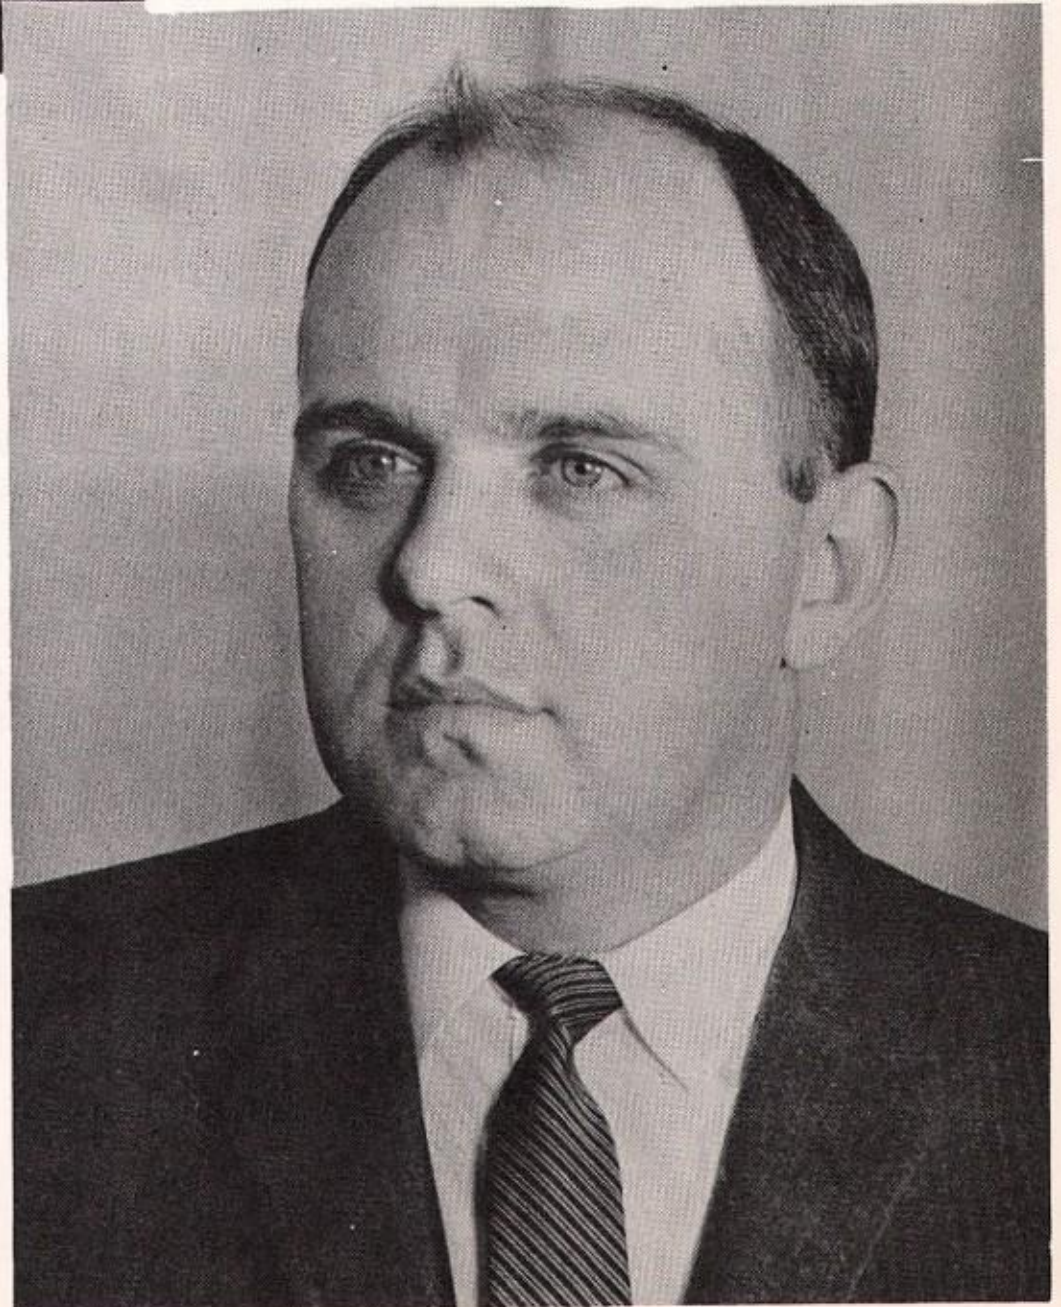

Mr. Doll is a native of Saginaw and graduated from Manchester High School. Before entering college, he served with the Army and for some time was stationed in Korea. On his return, he continued his education.

He entered York Junior College and completed his undergraduate work at Dickinson College in Carlisle. He received his Masters Degree from Temple. He also studied graduate mathematics at Oberlin College in Ohio and Franklin and Marshall College in Lancaster.

Mr. Doll taught at Ridgewood and Cape May, New Jersey before coming to our area. This is his sixth year in this school district. He teaches all forms of mathematics and in the words of his own students, "He is the best math teacher I've ever had."

Sometimes classified as a "strict" teacher, Mr. Doll is liked and respected by the students, members of the faculty, and the citizens of our community. He has always taught his material well; and is willing to help his students.

To you, Mr. Warren Doll, we extend our appreciation for all that you have done for us, the class of '60, since our first meeting in junior high school; and to the class of '60, Mr. Doll has one bit of advice before entering the world outside, "Get all the education you can, for your own benefit and the improvement of your country."

Our soccer team this season was successfully led into the York County Championship by Coach Shaeffer. The Bobcats' record over the season was five wins, one loss, and three ties. The only loss came in overtime, after a long hard fought game against Lancaster at Elizabethtown. This was the first time in twenty-one years that our team has captured the title. The above four are the senior members and co-captains of the soccer champions.

GIRLS' INTRAMURAL SPORTS

The girls intramural sports are conducted during the eighth period. Anyone who wants to participate in these activities may do so. Softball, basketball, and volley ball are the three sports in which the girls engage.

The competition is between the homerooms with members of the Girls' Athletic Association acting as referees and scorekeepers of the game.

Activities such as this help build a good school spirit and promote good sportsmanship.

EIGHTH GRADE

On completing their second year of junior high school, the eighth grade has reached the stage of familiarity with the daily school routine and has achieved a sense of belonging to the school. Many friendships are yet to be made and we find an eager air of expectancy in our second youngest class.

Our class of "1964," one of our most ambitious and energetic groups, has already sponsored a very successful skating party. The success of this party was two-fold; the money earned served as a beginning for a class treasury and it showed the upperclassmen what can be accomplished with a unified class.

To these "go-getters," we need to offer little encouragement; they will seize opportunity and mould it to fit their needs in the coming years.

JUNIOR CLASS

To the Junior Class:

We, the class of 1960, extend to you our best wishes and fondest hopes that you will have a year of triumphs and success as seniors. May you also have the power and ability to face all of your responsibilities squarely, secure in the knowledge of overcoming all obstacles.

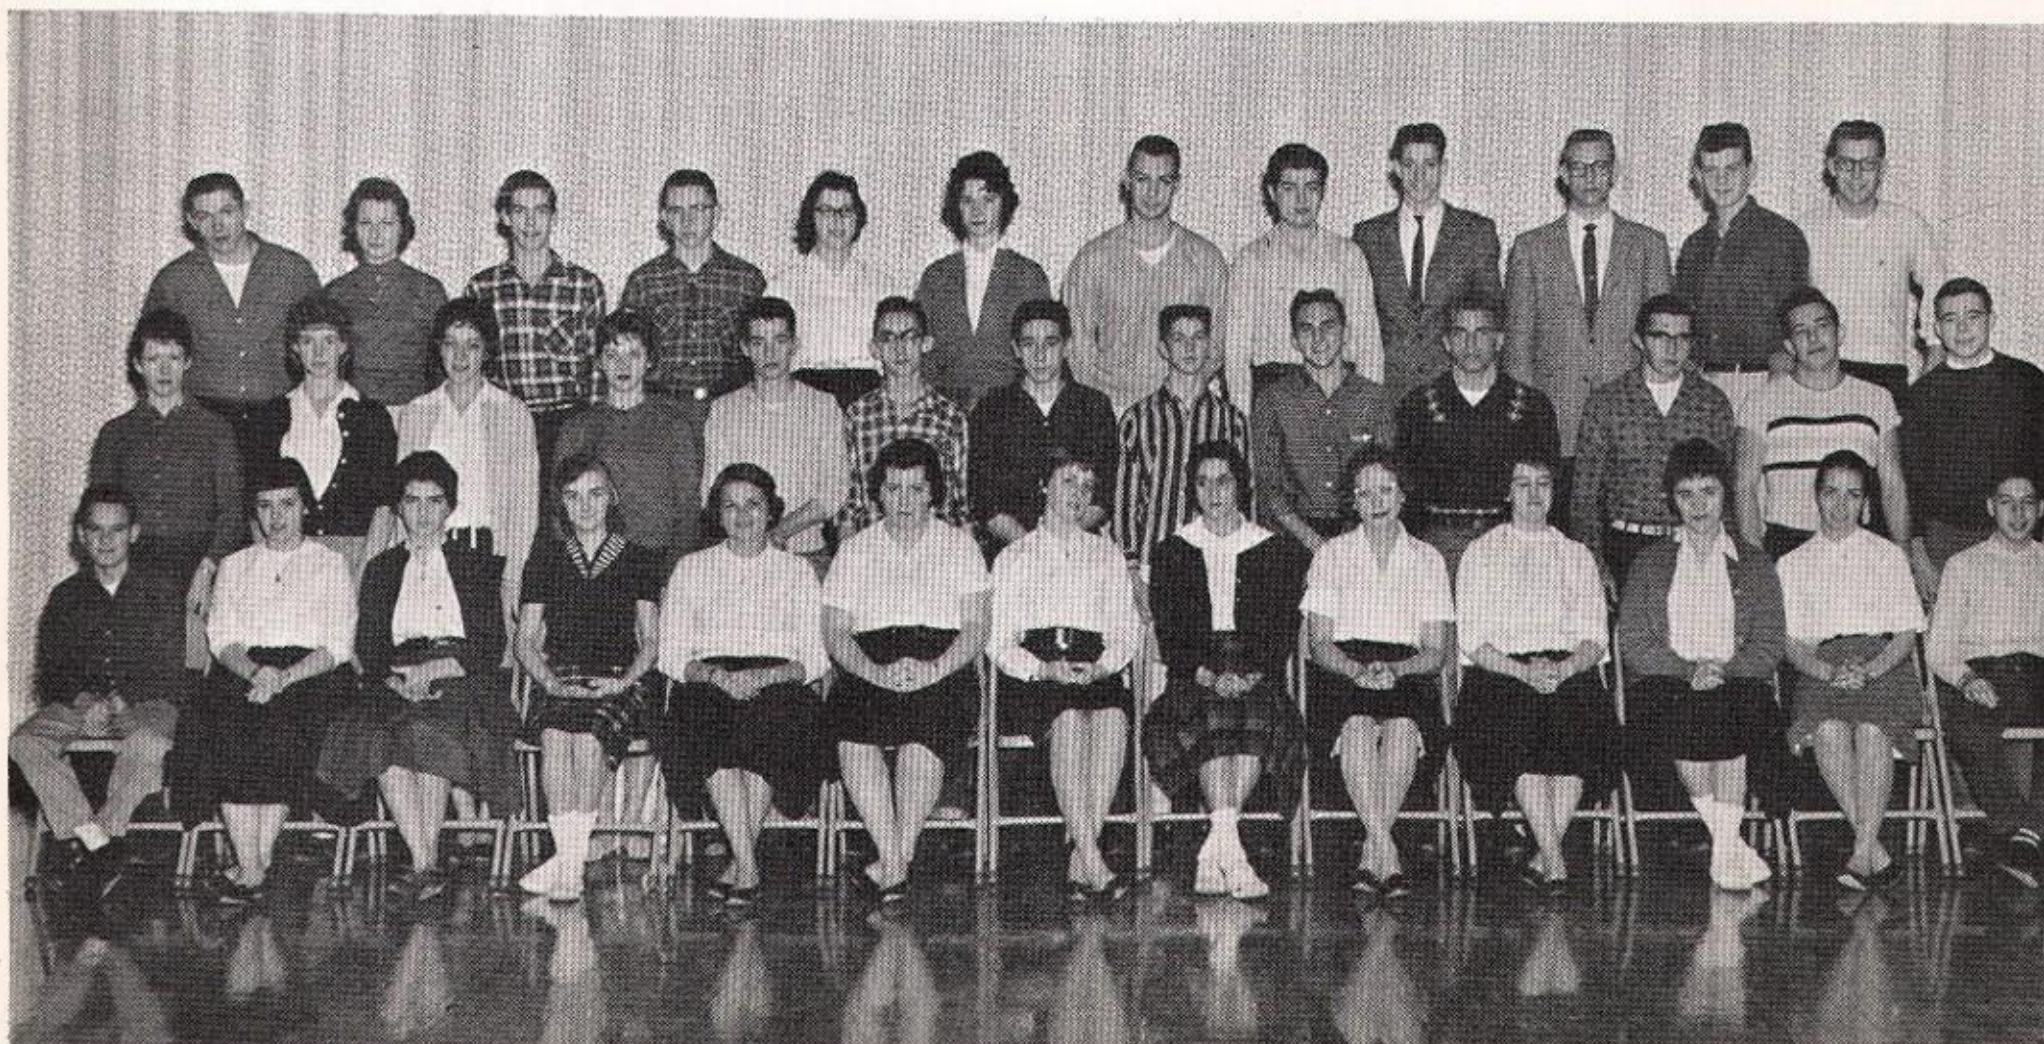

Upon looking back over the annals of the Junior Class we find many noteworthy occurrences to cite: their wholehearted support of school functions, their sponsoring of a new school tradition — "Wacky Day" — and their "financial success."

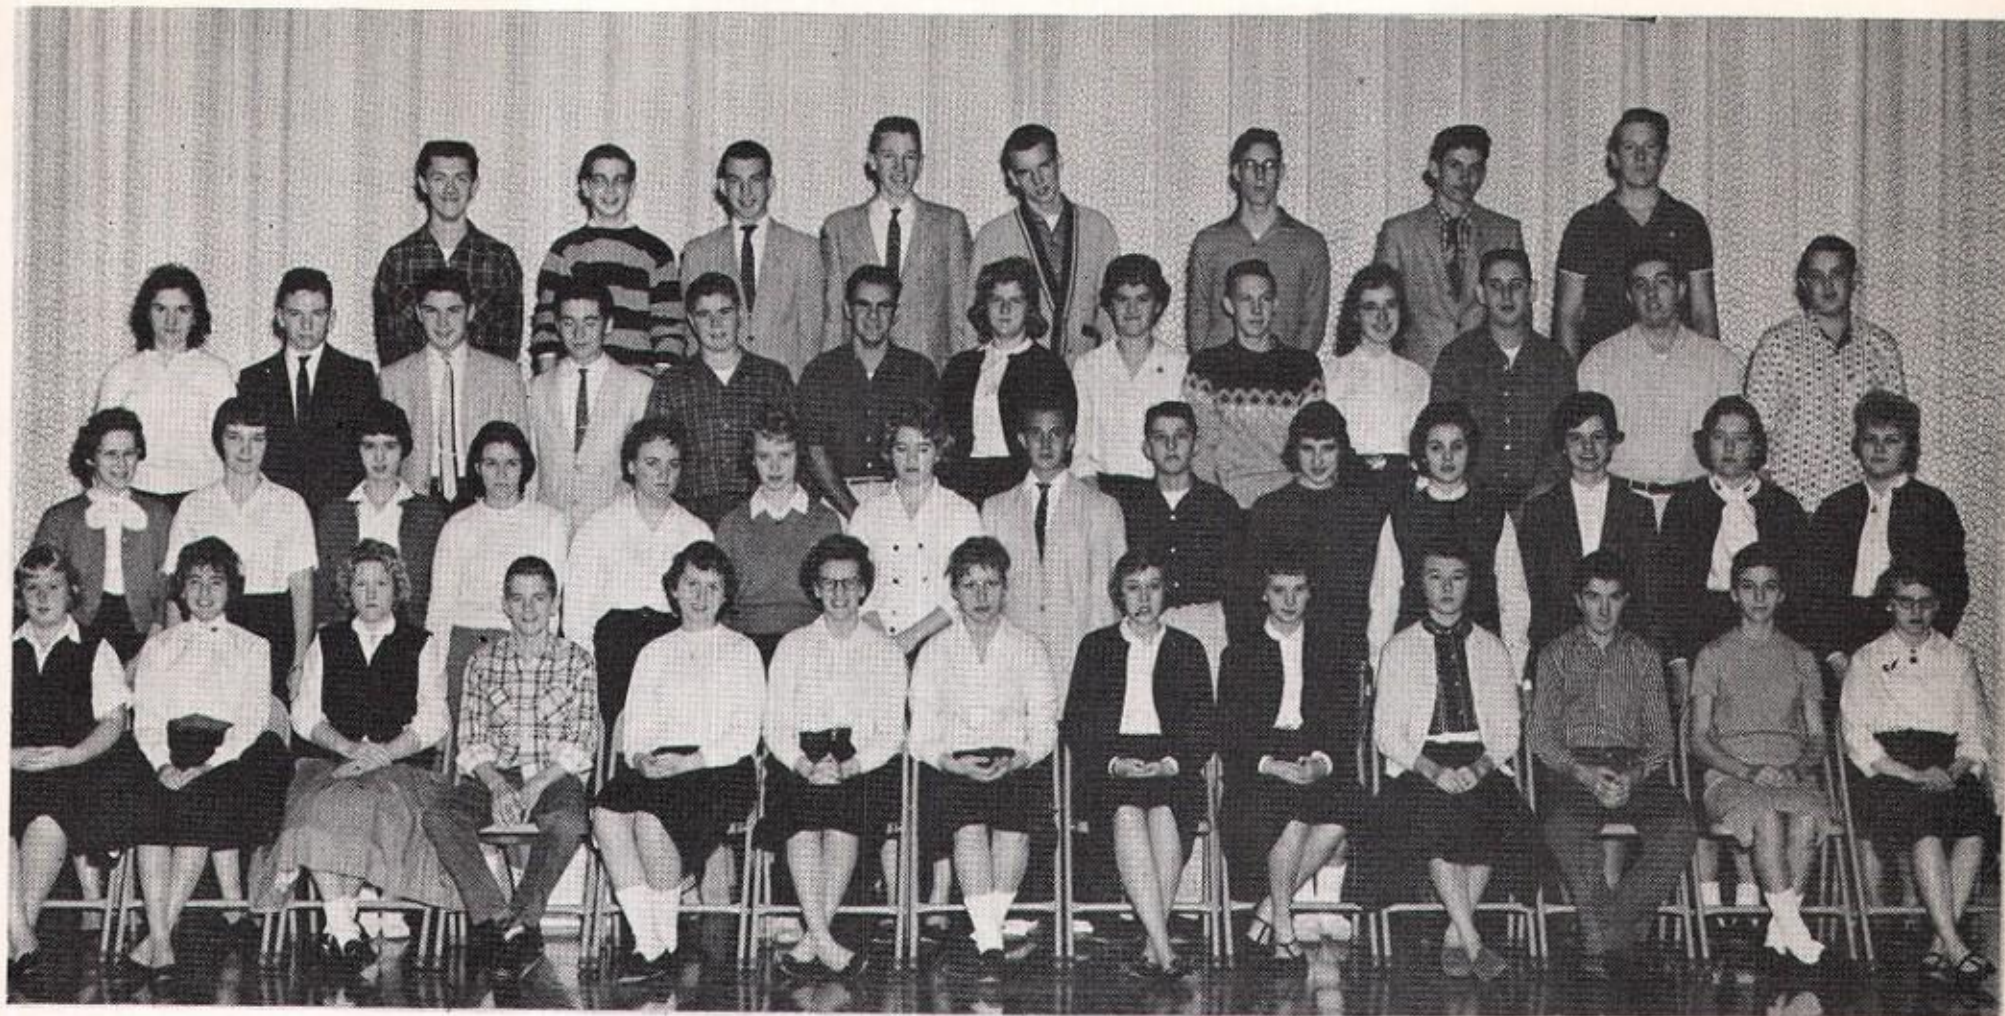

We feel confident that upon graduating, we are leaving the leadership of the school in the competent hands of the Class of 1961.

STUDENT COUNCIL

The Student Council of the Northeastern Junior-Senior High School has had a very successful year under the guidance and direction of the following officers: President, Barry Gross; Vice-President, Charles Sharples; Secretary, Ann Griffith; Treasurer, Tom Livingston.

The Student Council does not intend to act in the capacity of Student Government, but aims to plan and direct activities for the benefit of the entire student body, closely coordinating these activities with the school administration.

High lights of the 1959-1960 year were: staging an all-school-get-acquainted party in the fall, sponsoring post-basketball and noon-time dances, acting as hosts for the York County School Directors' Convention at Northeastern, attending the Southern Education District Student Council Conference at Cornwall, planning a banquet for the council members and their guests at the West York Inn, and co-ordinating a final all-school spring social.

The president of the student council acts as presiding officer at all assembly programs. Mr. Wilbur Zimmerman is the faculty advisor of the local Student Council organization.

The Student Council sponsored:

The school Christmas tree.

Flowers in the hall.

Evening record hops.

Special Valentine Dance.

Its purpose is to create, maintain, and extend high standards of Christian character to guide their footsteps into all walks of life. Activities of this group include an annual trip to the Farm Show at Harrisburg and swimming parties at the York Y. M. C. A.

Y-Teens

This organization, consisting of junior and senior girls, is affiliated with the Young Women's Christian Association. Their basic goal is a better understanding of religions. Activities of the group included a Mother and Daughter Tea plus a trip to Washington, D. C., for the World Fellowship Service at the National Cathedral. The girls also sponsored a bake sale for the purpose of sending two junior members to the annual Y-Teen Conference.

Varsity

Some of the most popular and best known individuals at Northeastern belong to the Varsity Club. All members must have earned a varsity letter by their participation in interscholastic sports. The aim of the club is to develop sportsmanship by working together.

These boys are also kept busy by selling refreshments at all home sports games. In the past year they have sponsored the Varsity Homecoming Dance and a Triple Header basketball game.

The club members have also journeyed to various nearby cities to view major league basketball and baseball.

CLUBS

The tasks of keeping a school library functioning well are endless and many. The librarian alone cannot do all the work; he must depend on the volunteer assistance of pupil librarians. Mr. Hake was particularly pleased this year with the energetic help of the large group of assistants who devoted many hours to helping the library serve the pupils and teachers of the school.

Mr. Hake requires that his assistants be at least in the ninth grade, and he confesses that he always has an eye out for good typists.

In the library Mr. Hake's main project for the year was to get catalog cards typed for the many books on the shelf which formerly had no cards. To get this task accomplished, he depended heavily on two fine typists from the senior class — Barb Wilhide and Brian "Angel-Fingers" LaPrairie. These two typed several thousand catalog cards — each one different.

Members of this club include girls from ninth through twelfth grade. The Future Nurses of America primarily stimulates an interest in a nursing career and related fields. Several students serve as Cherry Red Girls in the York Hospital and the West Side Osteopathic Hospital.

During the year they have attended a "Tea" held at the York Hospital for York and Adams Counties Clubs. They have also been acquainted with local hospitals by going on field trips. In the future they hope to have a bake sale, pay a visit to the Cerebral Palsy School, and plan a trip to the Mental Institution at Harrisburg.

Students interested in teaching as a profession have joined the Future Teachers of America Club, led by Miss Cassel. These girls have acted as substitutes for classroom teachers on many hectic occasions. As a part of their club activities, teaching techniques are discussed, visual aids used, and conferences set up between student and teacher as a guide to the club members' future ambitions.

Senior High Camera-bugs, consisting of boys only, have formed a Photography Club. Under Mr. Raffensperger's supervision, they learn the proper use of a camera plus dark room and developing procedures. The boys pursue creative photography and study the composition needed for a good picture.

This group of industrious boys are the ones that work "behind the scenes" to make our assemblies possible. They operate the lighting, produce the necessary special effects, and run the movie projectors.

Their main project was building and painting the scenery for the senior play. They have certainly done a commendable job in smoothing the path for our theatrical productions.

WHACKY DAY

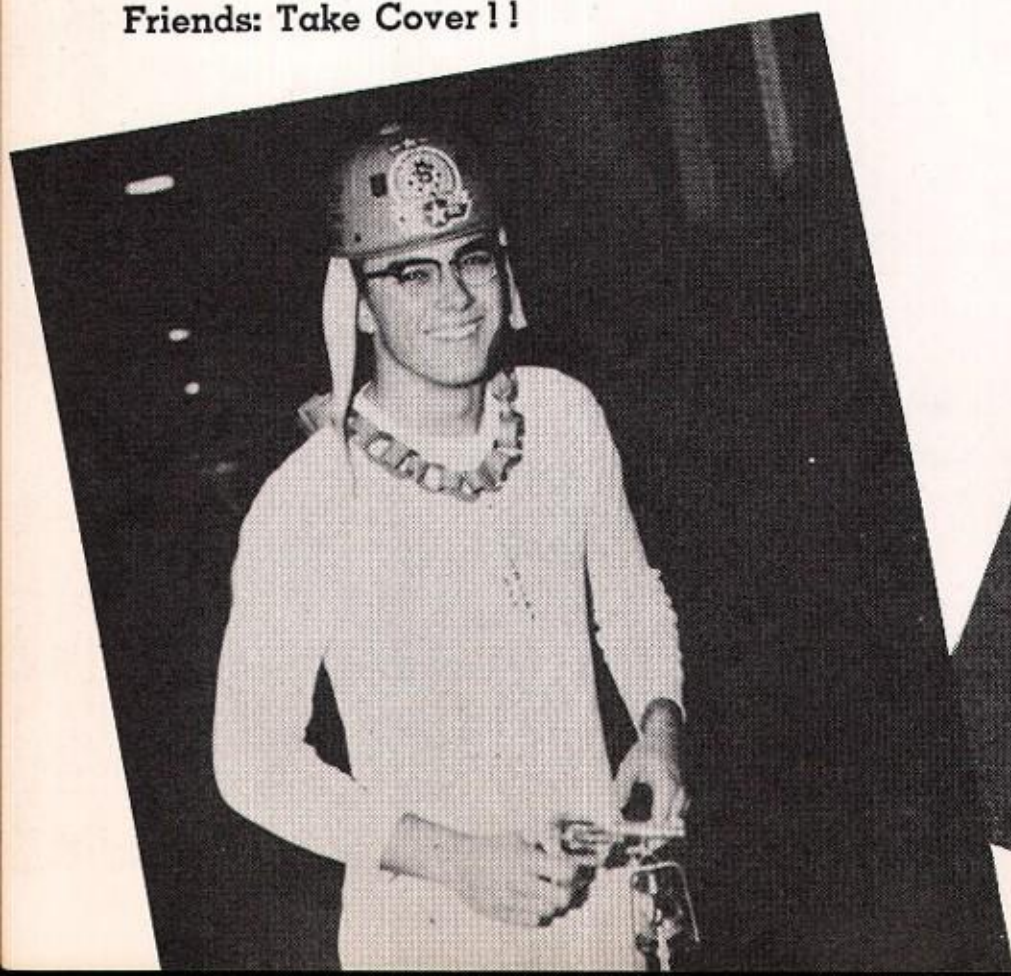

New Fad?

Daaaaaaah!!!!

This is the whackiest day in a student's school life. This year the Junior class sponsored it for the first time in our school. On November 25, 1959, anyone who bought a ticket spent a morning of torture trying to find old family clothing. Everyone had a good time and turned out with cleverly designed outfits, as you can see from the pictures.

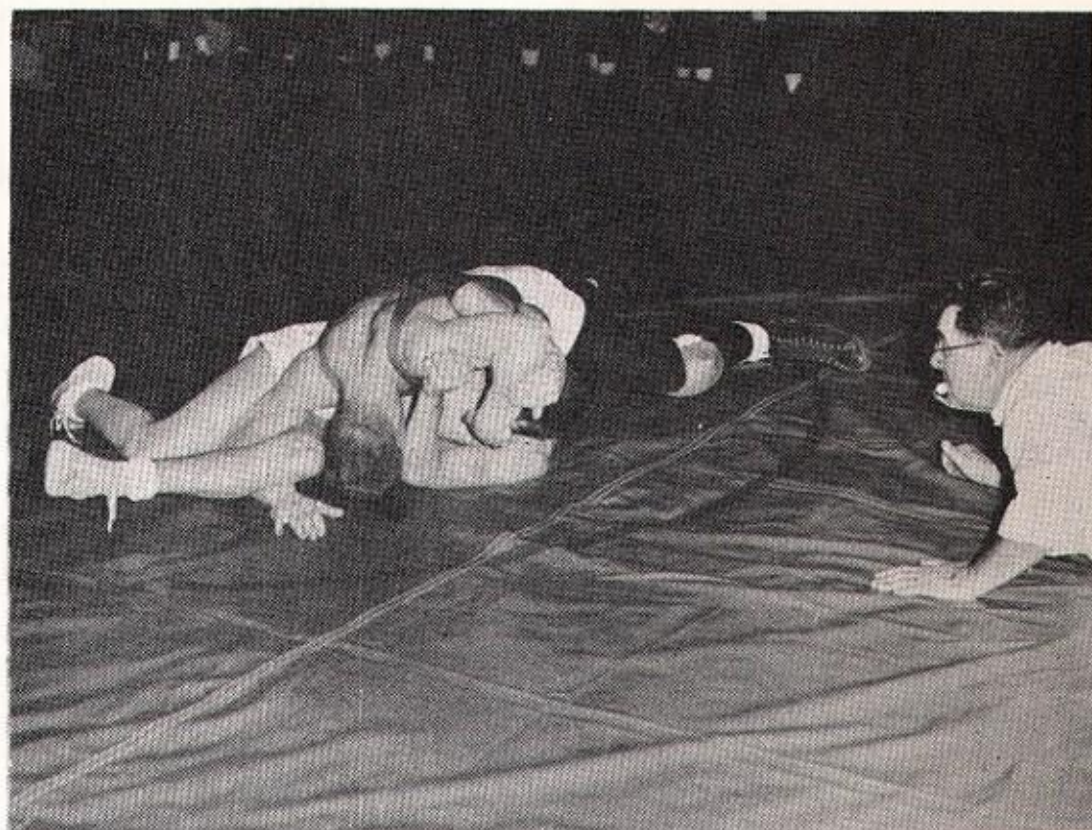

Friends: Take Cover!!

Shall we Dance?

Listen to me, boy !!!

What's new down there?

WRESTLING

The wrestling team of 1960, under the fine coaching of Mr. Edwards, compiled a season record of five wins against five losses. Our team had the necessary spirit but their lack of experience prevented their accumulating more points. A winning season is in the future for Northeastern's mat-men due to the fine groundwork laid by this year's team.

SENIOR HIGH VARSITY

Coach Philip Kessler's Bobcats closed out the season with a record of seven wins in twenty-two games. This was the coach's first year with the varsity and though the team did not hit their championship stride as yet, they have proven a power to contend with in the conference.

The team would like to thank their coach who, immediately after coming back from training in the National Guard, took over the team without any rest. Coach Kessler was very successful in arousing team interest in sportsmanship.

In many schools, girls' sports are sometimes limited only to intramurals. Northeastern is not one of these schools, for it has a girls' interscholastic volleyball team.

The girls are taken from grades nine through twelve and chosen by Miss Bricker, the coach, on their playing ability. They must also have passing grades in order to remain on the team.

Although the team did not end the season as champions, they had a good season, winning seven of their thirteen games.

Through such activities, the girls get to know students from other schools and to learn the real meaning of good sportsmanship.

The team wishes to thank Miss Bricker for the help she has given them.

CLASS HISTORY

It was September, 1956, when we, the class of "60," entered high school as freshmen. We had high hopes as we turned our faces toward our goal, our goal to become seniors; but we also had fears. So our freshman year was a war against fear to gain the victory of hope. Our class was split that year, half at Mt. Wolf Jr. High and half at Manchester Senior High. This hindered us to a degree, but our year was still fruitful in our learning and growing in mind and body.

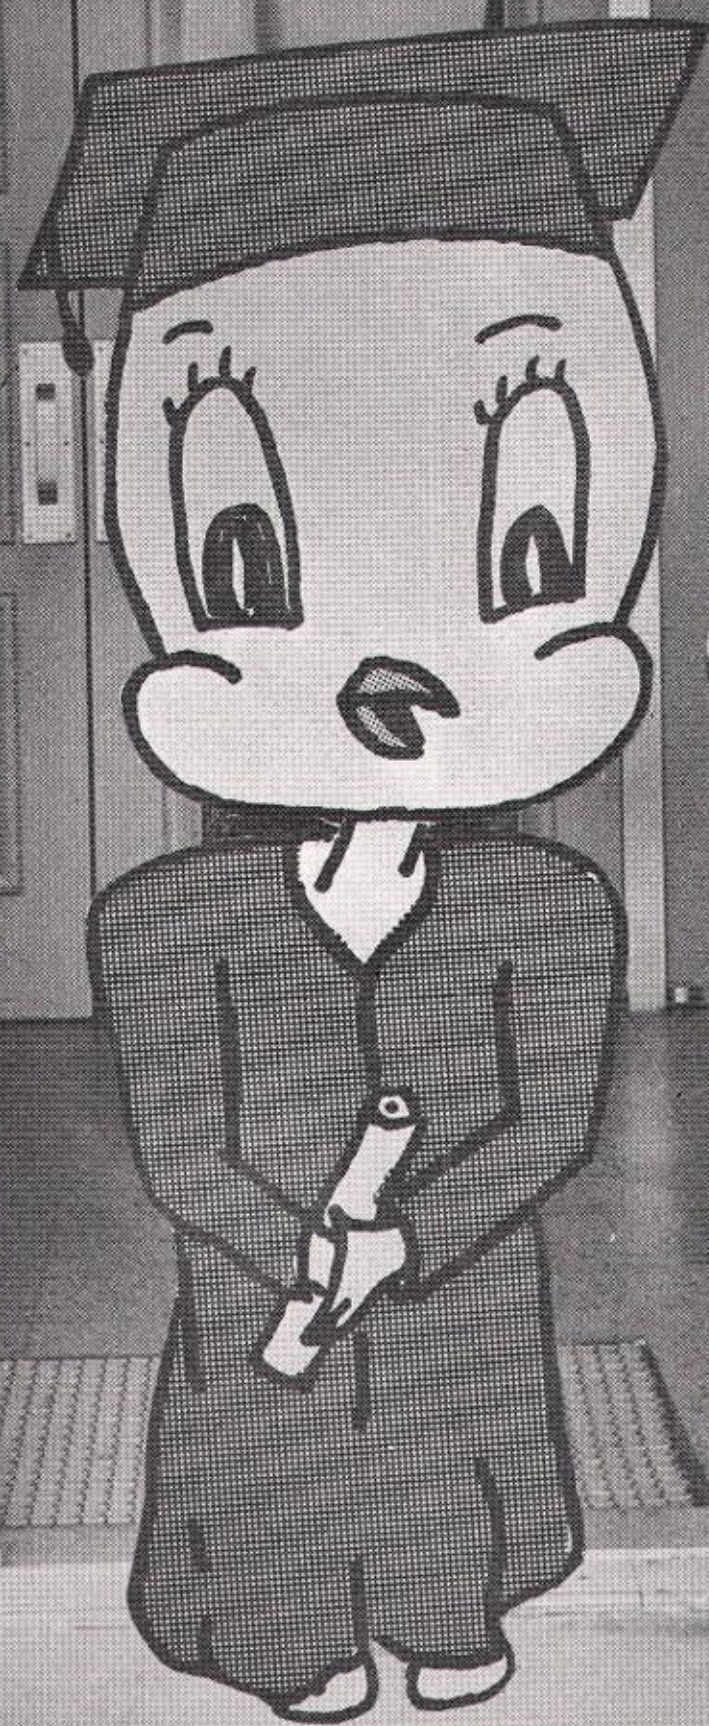

We started our sophomore year in 1957. Our class was at last a whole one; and we could really start to dive into our activities, enlarge our treasury, and build our class in honor and prestige. Those faces were still looking upward, but our goal was finally starting to take a vague form.

The junior year was a wild, happy, and hectic one. We had many money-making projects; and they were successful, for our treasury grew big. We were busy, very busy, with extra-curricular activities and mounds of homework; but we came through with smiling faces. Our goal to be seniors was bright and big in front of us, luring us onward.

Finally our goal was reached. We were high school seniors. We had many activities, many more than other years. Yearbook meetings, the senior play, chorus, band, soup sales, skating parties, and many more activities to keep us going. Our cries were heard by everyone. "Anyone for a quart of soup? How about a skating ticket, or maybe a play ticket? Would you like to buy a yearbook?" Our cries were successful; and we made our treasury very fat. Fat enough to pay for our yearbook and go on a class trip.

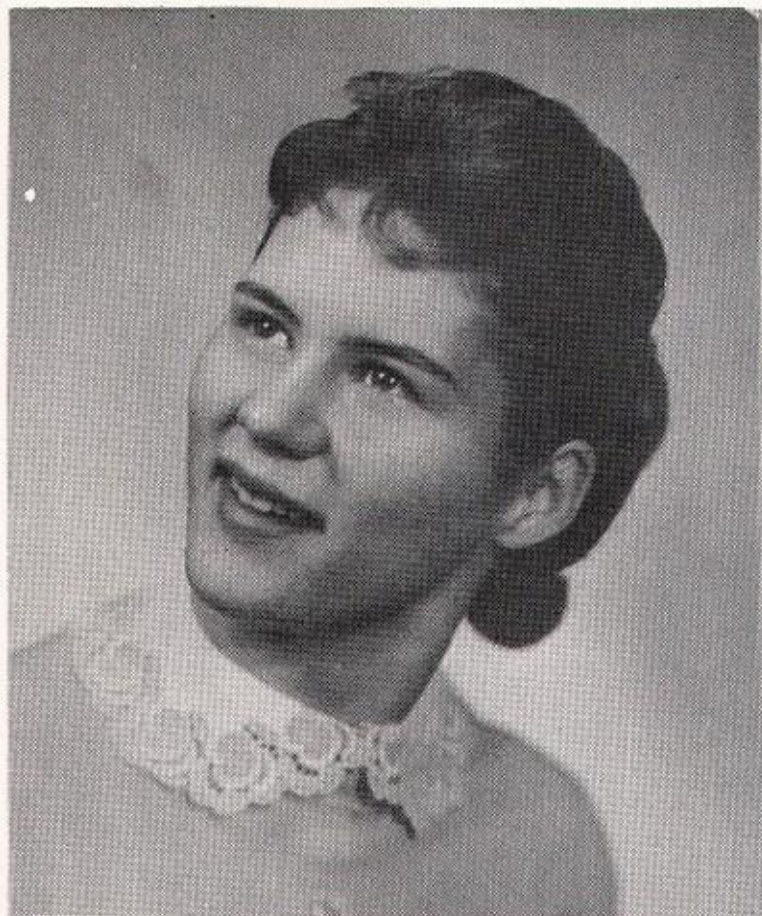

Our high school days were ending. This saddened us all a little. We shouted a little louder at basketball games, for we knew this was our last year of high school; a part of our life would be over.

What will the future bring for us? Maybe sadness, maybe happiness; but whatever it is, we will never forget our wonderful high school days. The happiest days of our lives.

CLASS PROPHECIES

It is a bright, sunny day here at the Indianapolis Motor Speedway. The crowd numbers in the thousands; many of them famous and many plain and ordinary. There are also a large number of working people here; people who made this whole day possible.

The team of mechanics performed a great job in speed and proficiency. Gary Hatterer did a magnificent job in windshield wiping. Lou Gingerich and Tom Bortz were a great team in tire changing, aided by the super strength of Frank Lecrone, who lifted the cars when the jack broke. Other mechanics were Jay Mundis, Jesse Rode, Ronald Kramer, Robb Santymire, Robert Anderson, and Milton Smith.

On hand are a staff of doctors and nurses, who each year, save the lives of many drivers. Some of the top nurses are Sonia Stough, Nancy Witmer, Joan Freede, and Judy Gladfelter. The head doctor is Jim Davis; and under him are Doug Fetrow, Chalfont Conley, and Melvin Ryan, who served as bandage cutters.

Chuck Myers can be seen clearly by everyone, waving the flags at the drums. The red light, operated by Brian LaPrairie, has just gone on; and there goes the crash crew to mend the trouble. Among the crew are: Herb Poe, Dean Nouse, William Millar, Henry Krout, Richard Stover, Ralph Wilderson, Dennis Fullen, and Wayne Hawbaker.

The cars that the contestants are driving were designed by Barry Spahr and Paul Bortner. The rubber in the wheels is a new synthetic invented jointly by the two great chemists, Valdis Baidens and Doug Dorset, aided by Bonnie Williams. The drivers' outfits were made by Joyce Akins and Fay Benedick.

Jerry McLaughlin is your able announcer with his Yogi Bear voice. On his staff are a number of good secretaries, Peggy Dolbin, Darlene Sowers, Mary McAfee, Gayle Myers, Delores Prowell, and Florence Dunavin. The reporter on the scene is Arlene Kreeger.

"Anyone for a sandwich?" This is the cry from the elevated restaurant. The waitresses giving that cry are Beverly Fadely, Donna Bear, Catherine Adams, Donna Dennis, Carol Sinclair, Lois Strayer, Karen Willis, Elizabeth Crager, Fae Delp, Amy Weigle, Helen Simms, Rena Stare, and Barbara Wilhide.

The stands are packed today with many different and interesting people. The First Platoon of the Second Cavalry of the Third Army with its famous General Buddy Brenner is seated in the front section. In their uniforms are Donald Ensminger, Gerald Eppey, Ronald Arnold, Marlin Knaub, and Richard Atwood, winner of the Purple Heart. The Navy division sitting as far from the Army as possible, is headed by the courageous Admiral Dennis Etters. His midshipmen are Ralph Gladfelter, Terry Grim, Robert Hanner, Marlet Hanna, Harry Hertzler, Wayne Hoeffcker, Eugene Hoover, Blaine Rentzel, and Ken Metzel.

The Women's Marine Corps are also honoring the speedway with their presence. They are Brenda Smyser, Pearl Gotwalt, Louise Fink, Joy Gladfelter, Linda Horne, Marjorie Leash, Peggy Zirkle, and Carol Weigle.

There are a number of prominent people present today. His Honor President Robert Holder and Vice-President David Lingg are with their secretaries Donna Pugh and Janet Price.

A few multibillionnaires are scattered around the stands with their secretaries. They are Leroy Rodgers, Donald Ilyes, and Sir Earl Rau with Mary Ellen Fetrow, Mary Hamilton, and Bonny Gross.

Basketball star Barry Gross of the Philadelphia Warriors, is here with his famous friend, Tom Hombach, star of the Boston Celtics.

Great names in the film work world are also present. Gary Good, magnificent star of the movie, "Transport to Siberia," and his co-star Joan Sanger, are here with starlets Betsy Lynch, Daune Boyer, Peggy Suky, Sharon Willman, Louree Brenner, and Dorothy Smith. Also in the party are director tycoon Mike Humer and producer Don Doll.

Pat Fries, great medical technician, is here with her entire staff of workers: Anita Reed, brain surgeon; Wanda Kirby, Carol Grossman, Celia Heindel, Nancy Walker, Mary Ladd, Lona Lauer, and Janet Reinecker.

Other spectators of importance are Nancy Busser, best cook of 1971; and Joan Conway, best cook of 1972. Linda Gembe, Miss America of 1963, and socialites Kay Murphy, Wanda Knaub, Harriet Mumma, Marleen Yinger, Nancy Slenker, and Carol Shorts are seated behind the soldiers.

Down below can be seen Karen Musser, waiting anxiously for the conclusion of the race. She presents flowers to the winner and kisses him. Yes, the last lap is started, and now the drums are telling the excitement, as the drivers are turning the curve—coming down the home stretch. There is the winner, driving Norman Bentz's car, Mike Wilt.

CLASS POEM

Now as we leave this school of ours,
We look back through the years,
And see just how our lives are shaped
Through all our joys and fears.

We came to learn three years ago
All that our school could teach.
We studied hard to gain prestige;
Our various goals to reach!

We did so much, we worked, we toiled;
And had our gay times, too.
We strove to mold our destinies,
And learned what we should do.

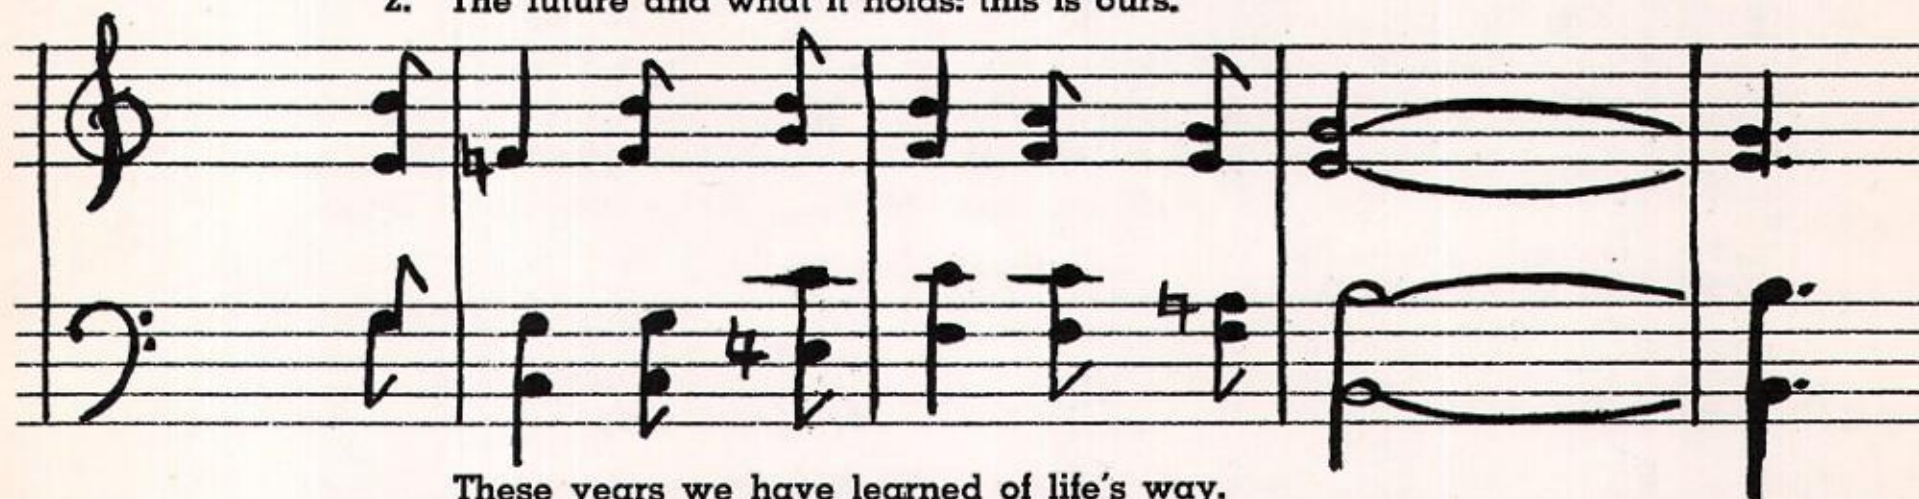

The past cannot be changed, we know;
Foundations have been laid.
The future, though, is in our power!
Let not ambition fail.

Come, class of "60," may our goal
Be service to mankind,
In work for freedom, peace, and love
May each contentment find.

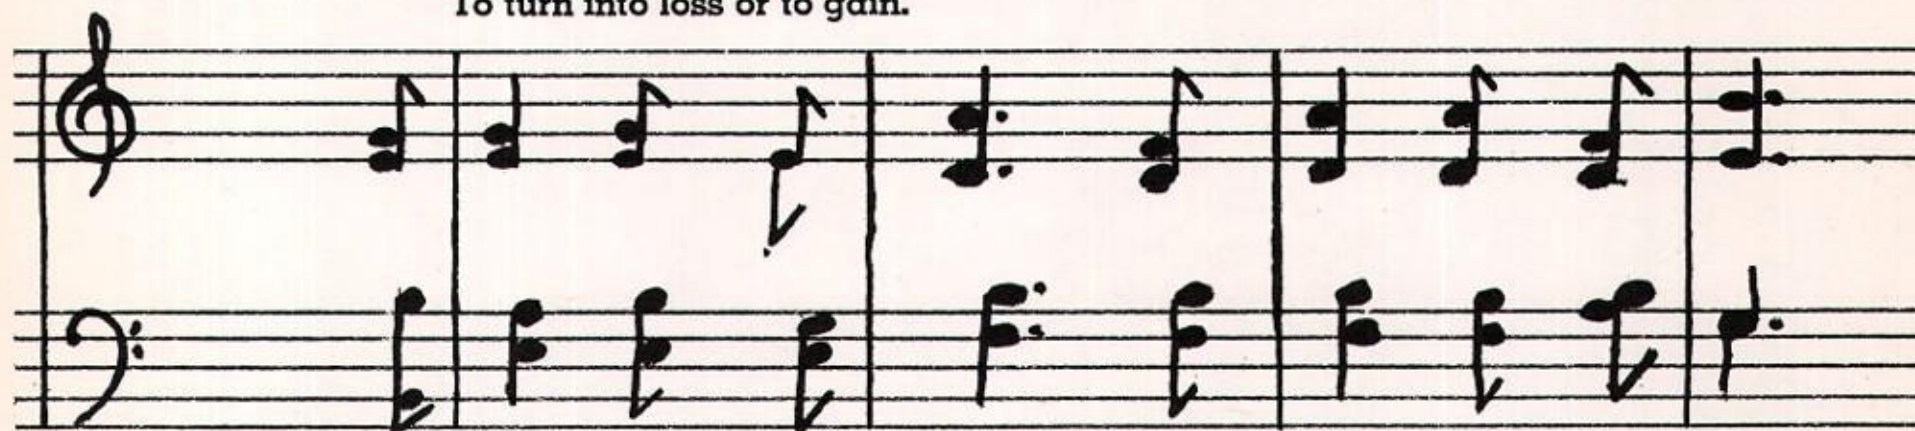

CLASS SONG

1. These years we have worked, these years we have toiled.
2. The future and what it holds: this is ours.

These years we have learned of life's way.
To turn into loss or to gain.

Our journeys through school bring memories fond.
We stand with the fate of the world in our hands.

Each minute, each hour, and each day,
Our efforts must not be in vain.

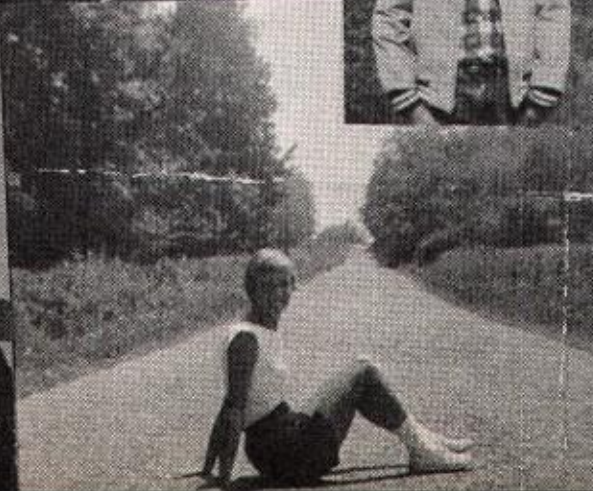

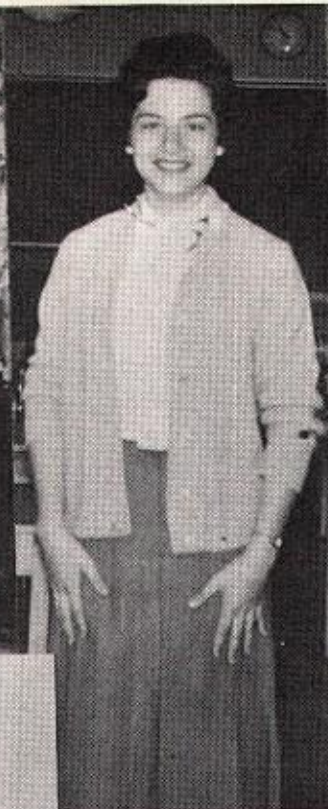

3. Ahead is the future, though gone is the past.
Our duties are plain to discern.
But great opportunities beckon to all
If to the right pathways we turn.

4. Farewell, now Northeastern; our thanks we proclaim.
We leave you with pangs of regret.
Be ours, the high calling to build structures tall,
From plans we can never forget.

I don't know what to do with my cup.

On April 6, 1960, fourteen new inductees were admitted to the Scott W. Knaub Chapter of the National Honor Society. It was a glorious day as the six nervous "veterans" gave their speeches in the spirit of reverence, fitting that occasion.

They smiled as the surprised, grinning fledglings came to accept the robe and pin, symbolic of the mantle of responsibility falling about their shoulders. The repetition of this ceremony brought memories of their induction one year previous, when they experienced the same feelings. A note of sadness crept in too, for they realized their time of active service was soon to end.

The realization that the nine would carry on the standards of character, scholarship, leadership, and service cheered them up, however, and plenty of cookies and punch at the "tea" wiped out all traces of stark reality. Yes, they were to leave soon, but the Society would not die for the torch of fellowship had been relighted.

Congratulations, everyone.

EXCHANGE STUDENTS

This year, for the first time, Northeastern High School participated in a student exchange program with Hadley-Luzerne Central School District in upper New York State. The program was sponsored and financed by the International Paper Company with a very favorable outcome for the participants.

Six girls from Northeastern traveled to Lake Luzerne, New York during the first two weeks of February. The same number of girls from Hadley-Luzerne visited in Manchester. An equal number of boys were exchanged several weeks later.

The importance of this program is to create a feeling of understanding between two states, the schools, and all of the people concerned with the exchange. Educational, recreational, and industrial ideas were exchanged, as well as the various geographical differences.

SENIOR BAND

The senior band consists of approximately fifty members. The enrollment has remained constantly around the fifty mark; however, in 1957 it rose to sixty-five. Due to an increased interest in the band a junior band has been formed this year.

The aims of the band are to develop band techniques, skill in the individual instrument, and appreciation of good music.

Among the various activities of the band are playing in the community Memorial Day and Hallowe'en parades, presenting programs for the high school P. T. A., and the Conewago Elementary P. T. A. They have also played for the dedication of the new firehouses at Manchester and York Haven and each year the band has presented a Spring Concert.

In 1957-58 the band along with various community groups raised enough money to buy uniforms for the band.

The chorus grew and in 1956-57 attained its highest enrollment of one hundred sixty-five. Due to the increased enrollment, the chorus was split in 1958-59 into groups; the sophomore chorus open to all members of the sopho-more class and the senior chorus for which members of the junior and senior classes are eligible.

A variety of activities has highlighted the days of the chorus. The 1954-55 group received a rating of excellent in the Forensics, while the 1957-58 chorus sang at the Viennese Ball. Last year the chorus entertained members of the Rotary Club of York.

The aims of the chorus are to develop voice and choral techniques, further the appreciation of good music, and increase the cultural level of school and community.

The junior high chorus is a new organization formed this year. It consists of ninety-three members selected from the two hundred and twelve junior high students who auditioned for a position.

Various musical groups have been formed from the chorus, a girls sextet, boys quartet, and girls ensemble.

This organization is one of the more active in our school, having participated in Thanksgiving, Christmas, and Easter assemblies. They have presented a Christmas and Easter concert.

They have had several money raising projects: three bake sales and two dances. The money was used for electric candles, the Christmas concert, folders for music and music.
